

“The Ultimate Road Show”

The Weinig Group Brings the Latest Technology to Your Door!

No time for trade shows? Too busy to keep up with the latest rip saw and moulder technology? Think you could find time to walk out to your parking lot, to see how the latest technology in solid wood processing can increase your business profits?

If you said yes to these questions, you need to have the Weinig Powermobile visit your shop. Nobody else in the industry but Weinig can bring state-of-the-art rip saw and moulder technology right to your door.
